

NOTICE

Microsoft Office 365 account for students (UG, PG, and Ph.D.)

The Central Computer Center (CCC) is happy to announce that the Institute has successfully obtained Microsoft (Office 365) licenses for all the UG/PG/Ph,D students. It is a cloud version of Microsoft office 365 suite (Offline installation is not possible for all apps except Microsoft teams) and expectedly it will ease up your day to day course/project-related activities. Also, since it is a cloud solution, so no need to maintain any specific version since any official update will be automatically installed in the cloud.

The steps for self-registration for Microsoft 365 is also available in the Institute Website. You can follow the steps to activate your Microsoft 365 Account.

For any query and concern related to the Microsoft Office 365 account, drop an email to "office365@nits.ac.in" with the subject '**Microsoft Cloud Account**' mentioning your name, scholar ID, branch and type (UG/PG/Ph.D). Any email without proper subject and scholar ID will not be entertained by the CCC.

Enjoy the Service!!!

Thank You

Regards,
Team CCC
